Privacy Notice & Terms of Use

Ref: 6.3
Product: iConnect Plus
Organisation: Cache Digitech
Classification: Internal — Confidential
Version: 2.0
Date: 2026-11-03
Deployment model: On-premises (Cache Digitech premises) · VPN for remote access
Audience: All users of iConnect Plus

Privacy Notice

1. Who we are

Cache Digitech operates **iConnect Plus** as an **internal business application** hosted on **servers located at Cache Digitech premises in India**. For questions about personal data, contact:

Grievance / DPO contact: Template / Pending sign-off
Email: Template / Pending sign-off
Address: Template / Pending sign-off

2. What data we process

We process personal data needed to run ERP functions, including:

- Identity and contact details (name, email, phone)
- Employment and HR records
- Payroll and tax identifiers where applicable
- Usage and security logs (IP address, login times)
- Files you upload that may contain personal information

Sensitive fields (e.g. bank account, PAN, Aadhaar where collected) receive **additional encryption** in the application.

3. Why we process data

Purpose	Examples
Employment and HR	Payroll, attendance, lifecycle
Business operations	Finance, procurement, customer/vendor management
Security	Authentication, fraud prevention, audit
Communications	Notifications you receive from the system

Lawful basis details for your organisation are recorded in **4.5 Personal Data Processing Record**.

4. Where data is stored

Primary storage is **on-premises** at Cache Digitech (PostgreSQL database and MinIO object storage). Data is **not** stored on public cloud databases as the primary production model for this deployment.

Remote access is only through **Cache Digitech VPN** plus internal network controls.

5. Who can access data

- Authorised users per **role-based access control**
- IT and platform teams for operations, backups, and security (under policy)

- Optional subprocessors (e.g. email delivery, SSO) only if enabled — see **4.5**

6. Retention

We retain data according to schedules in **4.3**, including approximately:

- Operational records: **3 years** (default class)
- Audit records: **10 years**
- Notifications: **1 year**
- Security logs: **at least 180 days** on-premises

7. Your rights (DPDP)

Subject to law and employment contracts, you may request:

- Access to your personal data
- Correction of inaccurate data
- Erasure where applicable (statutory retention may limit erasure)
- Grievance redressal via the contact above

Response SLA: Template / Pending sign-off

8. Security measures

We use industry practices including TLS, password hashing (bcrypt), optional MFA, access controls, encryption of designated fields, and account lockout after failed logins. Details: security pack sections **4.2**, **5.3**, **3.1**.

9. Incidents

If a personal data breach affects you, we will notify you and regulators as required by law, including **CERT-In** timelines where applicable.

Terms of Use

1. Acceptance

By accessing iConnect Plus on the corporate LAN or VPN, you agree to these terms and your organisation’s IT acceptable use policy.

2. Permitted use

- Use only for authorised **Cache Digitech / tenant business** purposes
- Comply with RBAC — do not attempt to access data or functions outside your role
- Keep credentials confidential; enable MFA when required

3. Prohibited use

- Sharing accounts or passwords
- Bypassing VPN or network controls
- Scraping, bulk exporting, or attacking the application
- Uploading malware or unlawful content
- Disabling security controls on your device

4. Availability

The service is provided on a **best-effort** basis during maintenance windows. Planned downtime will be communicated — **Template / Pending sign-off**.

5. Intellectual property

Software and documentation are proprietary to Cache Digitech and licensors. No licence to reverse engineer or redistribute.

6. Monitoring

Activity may be logged for security and audit (**5.1**). Logs are retained on-premises per policy.

7. AI features

If you use AI-assisted features, see **6.4 AI Transparency Notice**.

8. Limitation of liability

To the extent permitted by law, internal use is governed by your employment or contract terms with Cache Digitech. **Template / Pending sign-off** legal review for external tenants.

9. Changes

We may update this notice. Material changes will be announced — **Template / Pending sign-off**.

10. Governing law

India — **Template / Pending sign-off** (state/jurisdiction).
